

# Storage TANKS

## 510 BBL Single Step Storage tanks

### Features & Benefits

RIG OIL LLC Single Step is so unique, its design is patented. With an additional 10 BBL's of capacity over most standard tanks, and two foot shorter length, its perfect for limited space applications. Standard features include front and side manways, front stairway leading to top platform with foldable handrails and "V" shaped bottom flooring for ease of cleaning and drainage.
